

REMARKS

Responsive to the requirement for restriction, applicants elect Group II, claims 1-8 and 17-21, drawn to a liquid crystal display device, without traverse.

Responsive to the requirement for election of species, applicants elect Species C, on which claims 1-8 are readable.

As the allowance of claims 1-8 would not result in the examination of any of the remaining claims, the remaining claims are canceled. However, they may be made the subject of a divisional application, to be filed at any time during the pendency of the present application.

An action on the merits of the elected claims is respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
